

**CURRICULUM VITAE**  
**Diana Rancourt, Ph.D.**

Department of Psychology  
University of South Florida  
4202 East Fowler Ave.  
PCD4118G  
Tampa, FL 33620  
Phone: (813) 974-0375  
Fax: (813) 974-4617  
Email: drancourt@usf.edu

**EDUCATION**

- Undergraduate            Amherst College, Amherst, MA  
B.A. in Psychology and French (*magna cum laude*), May 2002  
Honors: Psychology with Distinction
- Graduate                    University of North Carolina at Chapel Hill, Chapel Hill, NC  
M.A. in Clinical Psychology, May 2007  
Ph.D. in Clinical Psychology, August 2012  
Honors: Graduate Student Opportunity Fund Award, 2006
- Internship                 University of California at San Diego/San Diego VA, San Diego, CA  
APA-approved internship in Clinical Psychology, July 2011-June 2012
- Fellowship                 Warren Alpert Medical School of Brown University, Providence, RI  
T32 Child Mental Health Fellowship, September 2012-July 2014  
5T32MH019927-18, Gregory Fritz, M.D. (PI)

**PROFESSIONAL LICENSURE**

State of Florida, Psychologist, #PY9463 (12/2015-present)

**EMPLOYMENT HISTORY**

8/2014 – present            Assistant Professor, Department of Psychology, University of South Florida

**PUBLICATION LIST**

**ORIGINAL PUBLICATIONS IN PEER REVIEWED JOURNALS (reverse chronological order)**

(\* indicates student/advisee author)

1. Molnar, D. S., **Rancourt, D.**, Schlauch, R., Wen, X., Maiorana, N., Huestis, M. A., & Eiden, R. D. (Accepted). Tobacco exposure and conditional weight-for-length-gain by 2 years of age. *Journal of Pediatric Psychology*.
2. Stern, M., Bachar, E., Ackerman, E., **Rancourt, D.**, & Weintraub, M. (Accepted). Weight trajectories of Israeli pediatric cancer survivors: Obesity is not a universal outcome. *Journal of Pediatric Psychology*.
3. **Rancourt, D.**, \*Schaefer, L. M., Bosson, J. K., & Thompson, J. K. (2016). Differential impact of upward and downward comparisons on diverse women's disordered eating behaviors and body image. *International Journal of Eating Disorders*, 49, 519-523.

4. **Rancourt, D.**, & McCullough, M. B. (2015). Overlap in eating disorders and obesity in adolescence. *Current Diabetes Reports*, *15*, 645-654.
5. **Rancourt, D.**, Leahey, T., LaRose, J. G., & Crowther, J. H. (2015). Effects of weight-focused social comparisons on diet and activity outcomes in overweight and obese young women. *Obesity*, *23*, 85-89.
6. Jelalian, E., Hadley, W., Sato, A., Kuhl, E., **Rancourt, D.**, Oster, D., & Lloyd-Richardson, E. (2015). Adolescent weight control: An intervention targeting parent communication and modeling compared to minimal parental involvement. *Journal of Pediatric Psychology*, *40*, 203-2013.
7. Hadley, W., McCullough, M.B., **Rancourt, D.**, & Jelalian, E. (2015). Shaking up the system: The role of change in maternal-adolescent communication quality and adolescent weight loss. *Journal of Pediatric Psychology*, *40*, 121-131.
8. Jensen, C. D., \*Duraccio, K. M., \*Hunsaker, S. L., **Rancourt, D.**, Kuhl, E. S., Jelalian, E., & Wing, R. R. (2014). A qualitative study of successful adolescent weight losers: Implications for weight control intervention. *Childhood Obesity*, *10*, 482-490.
9. **Rancourt, D.**, Barker, D. H., Sato, A., Hart, C., Lloyd-Richardson, E., & Jelalian, E. (2014). Longitudinal associations among change in overweight status, fear of negative evaluation, and weight-related teasing among obese adolescents. *Journal of Pediatric Psychology*, *39*, 697-707.
10. **Rancourt, D.**, Choukas-Bradley, S., Cohen, G.L., & Prinstein, M.J. (2014). An experimental examination of peers' influence on adolescent girls' weight-related behaviors. *International Journal of Eating Disorders*, *47*, 437-447.
11. Barker, D. H., **Rancourt, D.**, & Jelalian, E. (2014). Flexible models of change: Using structural equations to match statistical and theoretical models of change. *Journal of Pediatric Psychology*, *39*, 233-245.
12. Jelalian, E., **Rancourt, D.**, & Sato, A. (2013). Innovative interventions in pediatric obesity: Commentary and future directions. *Journal of Pediatric Psychology*, *38*, 1030-1036.
13. **Rancourt, D.**, Conway, C. C., Burk, W. J., & Prinstein, M. J. (2013). Gender composition of preadolescents' friendship groups moderates peer socialization of body change behaviors. *Health Psychology*, *32*, 283-292.
14. Conway, C.C., **Rancourt, D.**, Adelman, C. B., Burk, W. J., & Prinstein, M. J. (2011). Depression socialization within friendship groups at the transition to adolescence: The roles of gender group centrality as moderators of peer influence. *Journal of Abnormal Psychology*, *120*, 857-867.
15. Prinstein, M. J., Choukas-Bradley, S. C., Helms, S. W., Brechwald, W. A., & **Rancourt, D.** (2011). High peer popularity longitudinally predicts adolescent health risk behavior, or does it? An examination of linear and quadratic associations. *Journal of Pediatric Psychology*, *36*, 980-990.
16. Cousineau, T.M., Franko, D.L., Trant, M., **Rancourt, D.**, Ainscough, J., Chaudhuri, A., & Brevard, J. (2010). Teaching adolescents about changing bodies: Randomized controlled trial of an Internet puberty education and body dissatisfaction prevention program. *Body Image*, *7*, 296-300.

17. Prinstein, M. J., Heilbron, N., Guerry, J. D., Franklin, J. C., **Rancourt, D.**, Simon, V., & Spirito, A. (2010). Peer influence and nonsuicidal self injury: Longitudinal results in community and clinically-referred adolescent samples. *Journal of Abnormal Child Psychology*, *38*, 669-682.
18. **Rancourt, D.**, & Prinstein, M. J. (2010). Peer status and victimization as reinforcements of weight-related behaviors among adolescents. *Journal of Pediatric Psychology*, *35* 354-367.
19. Franko, D. L., Cousineau, T. M., Trant, M., Green, T. C., **Rancourt, D.**, Thompson, D., Ainscough, J., Mintz, L. B., & Ciccazzo, M. (2008). Motivation, self-efficacy, physical activity and nutrition in college students: A randomized controlled trial of an Internet-based education program. *Preventive Medicine*, *47*, 369-377.
20. Cousineau, T.M., Franko, D.L., Green, T.C., Watt, M. & **Rancourt, D.** (2006). Body Morph: Feasibility testing of an interactive CD-ROM to teach young adolescents about puberty. *Journal of Youth and Adolescence*, *35*, 1015-1021.
21. Cousineau, T.M., **Rancourt, D.**, & Green, T.C. (2006). Web chatter before and after the Women's Health Initiative results: A content analysis of online menopause message boards. *Journal of Health Communication*, *11*, 133-147.
22. Watt, M., **Rancourt, D.**, Cousineau, T.M., Franko, D.L. (2005). A pilot study of a multimedia puberty module for middle schoolers. *Journal of Nutrition Education and Behavior*, *37*, 211-212.

#### **BOOK CHAPTERS**

1. Prinstein, M. J., **Rancourt, D.**, Adelman, C. B., \*Ahlich, E., \*Smith, J., & Guerry, J. D. (*In press*). Peer status and psychopathology. In W. M. Bukowski, B. Laursen, & K. H. Rubin (Eds.), *Handbook of peer interactions, relationships, and groups (2<sup>nd</sup> ed.)*. New York: Guilford.
2. **Rancourt, D.**, & \*Boepple, L. (*In press*). Eating disorders. Invited chapter for inclusion in M. C. Roberts, & R. G. Steele (Eds.) *The Handbook of Pediatric Psychology, 5<sup>th</sup> Edition*. New York: Guilford.
3. Prinstein, M. J., Guerry, J. D., Browne, C. B., & **Rancourt, D.** (2009). Interpersonal models of non-suicidal self-injury. In M. K. Nock (Ed.) *Understanding non-suicidal self-injury: Origins, assessment, and treatment*. Washington, D. C.: American Psychological Association.
4. Prinstein, M. J., **Rancourt, D.**, Guerry, J. D., & Browne, C. B. (2009). Peer reputations and psychological adjustment. In K. H. Rubin, W. Bukowski, & B. Laursen (Eds.), *Handbook of peer interactions, relationships, and groups (pp. 548-567)*. New York: Guilford.

#### **OTHER PUBLICATIONS**

1. Evans, E. W., **Rancourt, D.**, & Jelalian, E. (2013). Re: "Eating disorders in adolescents with a history of obesity." [E-letter], *Pediatrics* (October 10, 2013), [http://pediatrics.aappublications.org/content/132/4/e1026/reply#pediatrics\\_el\\_56356](http://pediatrics.aappublications.org/content/132/4/e1026/reply#pediatrics_el_56356).

#### **PUBLICATIONS SUBMITTED**

(\* indicates student/advisee author)

1. \*Deska, J. C., Kunstman, J., Smith, A. R., Witte, T., & **Rancourt, D.** Let's face it: Clinicians have biased (non-conscious) mental representations of severe mental illness. (*Under review*).
2. \*Ahlich, E., \*Lang, B., \*Choquette, E., & **Rancourt, D.** Body talk, athletic identity, and eating disorder symptoms in men. (*Under review*).

3. **Rancourt, D.**, Thurston, I. B., Sonnevile, K. R., Milliren, C., & Richmond, T. K. Longitudinal impact of weight misperception and intent to change weight on BMI of adolescents and young adults with overweight or obesity. (*Under review*)

### **PUBLICATIONS IN PREPARATION**

(\* indicates student/adviser author)

1. **Rancourt, D.**, Barker, & Jelalian, E. Examination of gender differences and potential moderators of an adolescent peer-based obesity intervention. (*Manuscript draft complete*).
2. \*Ahlich, E., \*Lang, B., & **Rancourt, D.** Drives for muscularity and thinness: Associations with age and gender. (*Manuscript draft complete*).
3. Jelalian, E., **Rancourt, D.**, Jensen, C., & Evans, E. W. Quantitative exploration of factors contributing to formerly overweight/obese adolescents' weight loss. (*Analyses completed, writing in progress*).
4. \*Verzija, C., \*Lang, B., \*Ahlich, E., Schlauch, R. C., & **Rancourt, D.** The role of craving in emotional and uncontrolled eating: A test and extension of cognitive processing model of alcohol craving. (*Analyses completed, writing in progress*).
5. **Rancourt, D.**, Smith, L., Foster, N., Bollepalli, S., Powers, M., & Clements, M. Pathways to disordered eating among adolescents, young adults, and adults with type 1 diabetes in the Type 1 Diabetes Exchange Clinic Registry. (*Analyses completed*)
6. Manning, N.<sup>+</sup>, & **Rancourt, D.** Longitudinal associations of bully class status and academic performance and self-concept in a nationally representative sample. (*Analyses completed*).  
[\*Previously cited as Ugwumba, N.]
7. **Rancourt, D.**, \*Lee, M., \*Ahlich, E., & Schlauch, R. C. Applying a multidimensional model of craving to disordered eating behaviors: Development of an approach and avoidance questionnaire. (*Analyses completed*)

### **ABSTRACTS/PRESENTATIONS (in reverse chronological order)**

(\* indicates student/adviser author)

1. \*Verzija, C., \*Lang, B., \*Ahlich, E., Schlauch, R. S., & **Rancourt, D.** The role of craving in emotional and uncontrolled eating: A test and extension of cognitive processing model of alcohol craving. Accepted for poster presentation at the 2017 International Conference on Eating Disorders in Prague, Czech Republic.
2. \*Lang, B., **Rancourt, D.**, Schaefer, L. M., Bosson, J. K., & Thompson, J. K. Social comparison and objectification theories: Interracial comparison of an integrated model. Accepted for poster presentation at the 2017 International Conference on Eating Disorders in Prague, Czech Republic.
3. \*Ahlich, E., \*Lang, B., & **Rancourt, D.** Drives for muscularity and thinness: Associations with age and gender. Accepted for poster presentation at the 2017 International Conference on Eating Disorders in Prague, Czech Republic.
4. \*Schaefer, L. M., **Rancourt, D.**, \*Lang, B., Burke, N. L., Frederick, D. A., Kelly, M., Anderson, D. A., Schaumberg, K., Klump, K. L., Vercellone, A. C., & Thompson, J. K. Examining lean ideal

internalization and its association with eating pathology in men and women. Accepted for poster presentation at the 2017 International Conference on Eating Disorders in Prague, Czech Republic.

5. **Rancourt, D.**, Barker, D. H., & Jelalian, E. Gender as a moderator of outcomes of a peer-enhanced weight control intervention. In M. Bookhout (Chair), *The positive and negative roles of peer relations in childhood obesity*. Accepted for presentation at the 2017 Society for Research in Child Development biannual conference, Austin, TX.
6. Smith, L., **Rancourt, D.**, Foster, N., Bollepalli, S., Powers, M., & Clements, M. Pathways to disordered eating among adolescents and young adults with type 1 diabetes in the Type 1 Diabetes Exchange Clinic Registry. Accepted for poster presentation at the 2017 Society for Pediatric Psychology Conference in Eugene, OR.
7. **Rancourt, D.**, \*Lee, M., \*Ahlich, E., & Schlauch, R. C. (2016, November). *Applying a multidimensional model of craving to disordered eating behaviors*. Poster presented at the Association for Behavioral and Cognitive Therapies 2016 annual conference, New York, NY.
8. \*Choquette, E. M., \*Schaefer, L., **Rancourt, D.**, & Thompson, J.K. (2016, May). Drunkorexia in athletes and non-athletes: A comparison of compensatory behaviors in response to alcohol use and associations with eating disorder symptoms. Poster presented at the International Conference for Eating Disorders 2016 annual conference in San Francisco, CA.
9. \*Ahlich, E., \*Lang, B., \*Choquette, E., & **Rancourt, D.** (2016, May). *Body talk, sport participation, and eating disorder symptoms in men*. Poster presented at the International Conference for Eating Disorders 2016 annual conference in San Francisco, CA.
10. \*Lang, B., \*Ahlich, E., \*Choquette, E., & **Rancourt, D.** (2016, May). *Men's self-surveillance and body talk: Drives for thinness and muscularity as possible mechanisms*. Poster presented at the International Conference for Eating Disorders 2016 annual conference in San Francisco, CA.
11. **Rancourt, D.**, Thurston, I. B., Sonnevile, K. R., Milliren, C., & Richmond, T. K. (2015, November). *Longitudinal impact of weight misperception and intent to change weight on BMI of adolescents and young adults with overweight or obesity*. Poster presented at The Obesity Society annual conference in Los Angeles, CA.
12. **Rancourt, D.**, \*Schafer, L. M., Bosson, J. K., & Thompson, J. K. (2015, November). *Differential impact of upward and downward comparisons on diverse women's disordered eating behaviors*. Poster presented at the Association of Behavioral and Cognitive Therapies 2015 annual conference in Chicago, IL.
13. Karazsia, B. T., Berlin, K. S., Grimm, K., Barker, D. H., & **Rancourt, D.** (2015, August). *Best-practices in modeling longitudinal data: Making complex theory accessible*. Skill-building session at the American Psychological Association 2015 annual convention in Toronto, ON, Canada.
14. \*Ugwumba, N., & **Rancourt, D.** (2015, March) *The brutalizing period: Bully status classes in early adolescence and mid-adolescence*. Poster presented at the Society for Research on Child Development 2015 annual conference in Philadelphia, PA.

15. Evans, E. W., **Rancourt, D.**, & Jelalian, E. (2014, November). *Successful weight loss among overweight and obese adolescents*. Poster presented at The Obesity Society annual meeting, Boston, MA.
16. Jelalian, E., **Rancourt, D.**, Evans, E. W. (2014, March). *Longitudinal examination of weight change and depressive symptoms in overweight and obese adolescents*. Poster presented at the Society of Pediatric Psychology annual conference, Philadelphia, PA.
17. Jensen, C. D., \*Duraccio, K., \*Hunsaker, S., **Rancourt, D.**, Kuhl, E., Jelalian, E., & Wing, R. (2014, March). *A qualitative study of successful adolescent weight losers: Implications for weight control intervention*. Poster presented at the Society for Pediatric Psychology annual conference, Philadelphia, PA.
18. \*Brumley, L. D., Guerry, W. B., **Rancourt, D.**, Danzi, B., & Prinstein, M. J. (2014, March). *Fat talk between friends: A qualitative analysis of adolescent girls' dyadic communication about body and weight*. Poster presented at the Society of Pediatric Psychology annual conference, Philadelphia, PA.
19. **Rancourt, D.**, Barker, D. H., Sato, A. F., Lloyd-Richardson, E., Hart, C. N., & Jelalian, E. (2013, November). *Longitudinal associations between change in overweight status, fear of negative evaluation, and weight-related teasing among obese adolescents*. Poster presented at The Obesity Society annual meeting, Atlanta, GA.
20. Jensen, C., Durracio, K., Kuhl, E., **Rancourt, D.**, Jelalian, E., & Wing, R.R. (2013, April). *Successful teen weight losers: Findings from the Adolescent Weight Control Registry*. Poster presented at the Society of Pediatric Psychology National Conference in Pediatric Psychology. New Orleans, LA.
21. **Rancourt, D.**, & Prinstein, M. J. (2012, November). Potential mechanisms of peer influence on adolescent girls' disordered eating behavior: An experimental design. In C. C. Conway (Chair), *Recent advances in peer contagion research: Novel theories and techniques for studying adolescent psychopathology*. Association for Behavioral and Cognitive Therapies, Baltimore, MD.
22. Brechwald, W.A., **Rancourt, D.**, \*Danzi, L. E., \*Chambers, C.C., & Prinstein, M. J. (2012, March). Fat talk among friends: A preliminary study of the influence of weight and appearance talk within adolescent female dyads. In A. Rose (Chair), *Observations of friends' conversations: Implications for adolescent adjustment*. Society for Research on Adolescence, Vancouver, British Columbia, Canada.
23. **Rancourt, D.**, & Prinstein, M. J. (2011, April). Associations between adolescents' relational aggression and weight-related attitudes and behaviors. In D. M. Casper & N. A. Card (Co-Chairs), *Forms of victimization and aggression: Next steps toward synthesis and advanced understanding of associations and outcomes*. Society for Research in Child Development, Montreal, Québec, Canada.
24. **Rancourt, D.**, Brechwald, W.A., & Prinstein, M. J. (2010, March). Adolescents' perceptions of their peer status: Incremental validity in the longitudinal predication of depressive symptoms. In J. G. Parker (Chair), *In the "eye of the beheld": Origins and outcomes associated with accurate and inaccurate self-perceptions of popularity*. Society for Research on Adolescence, Philadelphia, PA.

25. Brechwald, W. A., **Rancourt, D.**, & Prinstein, M. J. (2009, March). Peer influence of weight-related behaviors among high-status adolescents. In H. Xie (Chair), *Processes of peer influence: The role of high-status individuals and peer groups*. Society for Research in Child Development, Denver, CO.
26. **Rancourt, D.**, & Prinstein, M. J. (2008, March). Mechanisms of peer socialization: Imitation/modeling and social comparison models of adolescent girls' weight-related behaviors. In D. Rancourt (Chair), *How and why does peer influence occur?: Socialization mechanisms from a developmental perspective*. Society for Research on Adolescence, Chicago, IL.
27. Prinstein, M. J., **Rancourt, D.**, & Conway, C. C. (2008, March). Selection and socialization in adolescent peer cliques. In M. Selfhout & W. J. Burk (Co-Chairs), *Homophily in adolescent friendships: The role of individual and peer group characteristics*. Society for Research on Adolescence, Chicago, IL.
28. Prinstein, M. J., Guerry, J. D., & **Rancourt, D.** (2007, November). Peer contagion of adolescent nonsuicidal self-injury: Support from two longitudinal studies. In M. J. Prinstein & M. K. Nock (Co-Chairs), *A closer look at functional models of nonsuicidal self-injury*. Association for Behavioral and Cognitive Therapies, Philadelphia, PA.
29. **Rancourt, D.**, & Prinstein, M. J. (2007, November). *Longitudinal, reciprocal associations among adolescents' weight-related behaviors, reputation- and preference-based peer status, and peer victimization*. Poster presented at the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.
30. **Rancourt, D.**, Conway, C.C., & Prinstein, M.J. (2007, March). *Clique influence on adolescent weight-related behaviors*. Poster presented at the Society for Research in Child Development, Boston, MA.
31. Conway, C.C., **Rancourt, D.**, & Prinstein, M.J. (2007, March). *Depression contagion within adolescent peer cliques: The roles of gender and clique centrality*. Poster presented at the Society for Research in Child Development, Boston, MA.
32. **Rancourt, D.**, & Prinstein, M.J. (2006, November). *Peer contagion of adolescents' body dissatisfaction and weight-related concerns*. Poster presented at the Association for Behavioral and Cognitive Therapies, Chicago, IL.
33. Cousineau, T., Green, T.C., & **Rancourt, D.** (November, 2004). *Web chatter before and after the WHI results: What are menopausal women talking about?* North American Menopause Society, Washington, D.C.
34. Johnson, D., **Rancourt, D.**, Green, T.C., Cousineau, T., & Chaiuzzi, E.J. (November, 2004). *MyStudentBody.com: An interactive multimedia tobacco prevention and cessation program for college students*. American Public Health Association, Washington, D.C.
35. Cousineau, T.M., Franko, D.L., Watt, M., **Rancourt, D.**, & Green, T.C. (2004, July). *Using multimedia technology for adolescent body dissatisfaction: A pilot study*. American Psychological Association, Honolulu, Hawaii.
36. **Rancourt, D.M.** & Sanderson, C.A. (February 2004). *Predicting women's weight concerns: A comparison between women at coeducational versus single-sex colleges*. Poster presented at Society for Personality and Social Psychology, Austin, TX.

37. **Rancourt, D.M.** & Sanderson, C.A. (February 2003). *Does the presence of men influence perceived discrepancy from weight-related norms?: A comparison of women at coeducational and single-sex colleges*. Posted presented at the Society for Personality and Social Psychology, Los Angeles, CA.

### **INVITED PRESENTATIONS**

1. **Discussant**, in A. R. Smith (2013, November), *Status update: Online and real-time tools to study disordered eating*. Association for Behavioral and Cognitive Therapies, Nashville, TN.
2. **Rancourt, D.**, & Prinstein, M. J. (2008, September). Socialization of adolescents' weight-related behaviors: The roles of best friend and group contagion and adolescent popularity. Developmental Psychology Lunch Seminar, UNC-Chapel Hill.
3. **Rancourt, D.**, & Prinstein, M. J. (2006, June). Peer influence on adolescents' weight-related behaviors: The roles of best friend contagion and adolescent peer status. Invited colloquium, Radboud Universiteit Nijmegen, Netherlands.

### **EDITORIAL COMMITTEES**

Ad Hoc Reviewer                      Body Image, BMC Psychology, BMC Public Health, Childhood Obesity, Clinical Obesity, Criminology, Developmental Psychology, Eating & Weight Disorders, Health Psychology, International Journal of Eating Disorders, Journal of Child and Family Studies, Journal of Clinical Child and Adolescent Psychology, Journal of Developmental and Behavioral Pediatrics, Journal of Early Adolescence, Journal of Experimental and Social Psychology, Journal of Pediatric Psychology, Journal of Research on Adolescence, Merrill Palmer Quarterly, Obesity, Pediatrics, Research Quarterly for Exercise and Sport

### **DEPARTMENTAL AND UNIVERSITY SERVICE**

Department of Psychology

University of South Florida Faculty Search Committee (Industrial/Organizational), Fall 2016  
University of South Florida Participant Pool Committee, 2014-2015  
UNC-Chapel Hill Dept. of Psychology Faculty Search Committee, Invited Member, 2006

Clinical Area

University of South Florida, Clinical Program Admissions Committee, 2015-present  
University of South Florida, Clinical Psychology Curriculum Review Committee, 2015-present  
University of South Florida, Clinical Psychology Internship Committee, 2014-present  
UNC-Chapel Hill Clinical Psychology Applicant Interview Committee, 2007, 2008

### **PROFESSIONAL SERVICE**

Association of Behavioral and Cognitive Therapies

Awards Committee, 2014-present

### **GRANTS/Research Support**

*Current Research Support*

1. Helmsley Charitable Trust                      Smith/Rancourt (MPIs)                      10/2015-present  
T1D Exchange Clinic Registry  
Pathways to disordered eating among adolescents and adults with type 1 diabetes in the T1D Exchange Clinic Registry  
Role: Co-Principal Investigator  
Total Costs: \$17,460

*Completed Research Support*

1. L40 HD078334 Rancourt (PI) 7/1/2015-6/30/2016  
NICHD – NIH Extramural Pediatric Loan Repayment Program Competitive Renewal  
Peer and treatment processes associated with overweight adolescents' weight-related outcomes
2. L40 HD078334 Rancourt (PI) 7/1/2013-6/30/2015  
NICHD – NIH Extramural Pediatric Loan Repayment Program  
Examining the role of peers in an adolescent weight control intervention
3. 5T32MH019927-18 Fritz (PI) 9/01/2012-7/18/2014  
National Institute of Mental Health  
Research training in child mental health  
Role: Postdoctoral fellow
4. 1 F31MH085417-01A1 Rancourt (PI) 1/01/2010-5/31/2011  
National Institute of Mental Health  
Peer influence and adolescent girls' eating risk behavior: An experimental design

*Applications Under Review*

1. L40 HD078334 Rancourt (PI) Submitted 11/2016  
NICHD – NIH Extramural Pediatric Loan Repayment Program Competitive Renewal  
Psychosocial risk factors of disordered eating behaviors and outcomes among diverse pediatric populations
2. National Science Foundation Rancourt/Bosson (MPs) Submitted 1/2017  
Social Psychology Program  
Intersectionality and body-focused self-threats: Buffering against harmful cognitive, affective, and behavioral outcomes for diverse women  
Role: Principal Investigator  
Total Costs: \$777, 423
3. NIH/NIDDK Rancourt/Schlauch (MPs) Anticipated 2/2017  
A transdiagnostic application of a model of craving to problematic eating behaviors  
Total Costs: Pending

*Other Applications*

1. NIH Loan Repayment Program Rancourt (PI) 11/2015  
NICHD - Extramural Pediatric Program Competitive Renewal  
Peer and treatment processes associated with with-related outcomes among adolescents with overweight  
Disposition: Not funded
2. National Science Foundation Rancourt/Bosson (MPs) 7/2015  
Social Psychology Program  
The multifinality of women's body-focused self-evaluations: An integrative model predicting cognitive, affective, and behavioral consequences  
Role: Principal Investigator  
Total Costs: \$719,233  
Proposal Ranking: Not competitive (Ratings: Very good, Very good, Fair, Fair)

3. Letter of Intent Smith/Rancourt (MPIs) 6/1/15  
Society for Pediatric Psychology Targeted Research Grant  
Examining predictors of disordered eating behaviors among diverse adolescents and young adults with type 1 diabetes  
Role: Co-Principal Investigator  
Disposition: Not selected for full grant submission
4. Women's Health Collaborative Grant Smith/Rancourt (MPIs) 4/30/15  
University of South Florida Health (4/30/15)  
Examining predictors of disordered eating behaviors in adolescent and young adult females with type 1 diabetes: The role of physiological and psychological factors  
Role: Co-Principal Investigator  
Total Costs: \$12,999.34  
Disposition: Not funded
5. 1R03HD079579-01 Rancourt (PI) 2013, 2014  
NIH/NICHD  
Use of EMA to examine body comparisons and weight behavior among obese teen girls  
First Priority Score: 30 (1-100 scale, 18<sup>th</sup> percentile)  
Second Priority Score: 29 (1-100 scale, 16<sup>th</sup> percentile)  
Disposition: Not funded

## **TEACHING AND MENTORING**

### **Undergraduate Courses**

Introduction to Psychology, UNC-Chapel Hill  
Abnormal Psychology, University of South Florida

### **Graduate Courses**

Evidence-Based Child Assessment, University of South Florida  
Assessment & Human Development, University of South Florida  
Diagnosis and Treatment of Eating & Weight Disorders, University of South Florida

### **Dissertation/Theses (Primary Mentor/Committee Chair)**

(\* indicates student/advisee)

#### **2016**

Lang, B. (2016). A longitudinal exploration of drive for leanness: Potential uniqueness, gender neutrality, adaptive nature, and sociocultural fit. Masters thesis (*In progress*). University of South Florida.
