

KRISTEN SALOMON, PH.D.

Curriculum Vitae

CONTACT INFORMATION

Department of Psychology
University of South Florida
4202 E. Fowler Ave., PCD 4118G
Tampa, FL 33620
(813) 974-4922
Email: ksalomon@usf.edu

EDUCATION

1991 B.S. in Psychology, Eckerd College, St. Petersburg, FL
1997 Ph.D. in Psychology, Social Area, State University of New York at Buffalo, Buffalo, NY

ACADEMIC EMPLOYMENT

2009–pres Associate Professor, Department of Psychology, University of South Florida, Tampa, FL
2002-2009 Assistant Professor, Department of Psychology, University of South Florida, Tampa, FL
2002-2004 Assistant Professor, College of Arts & Sciences, University of South Florida, Lakeland, FL
1997-2002 Senior Research Principal, Cardiovascular Behavioral Medicine, University of Pittsburgh, Pittsburgh, PA

HONORS & AWARDS

Research Fellow, James A. Haley Polytrauma Center and Veterans Hospital, Tampa, FL
Research Fellow, Charles Stark Draper Laboratories, Tampa, FL 2012 - 2015
CAS Matching International Travel Award, College of Arts & Sciences, 4/07, Amount: \$1,500
Faculty International Travel Grant, The Research Council, USF, 3/10, Amount: \$1000

PROFESSIONAL MEMBERSHIPS

American Psychosomatic Society
Society for Psychophysiological Research

FUNDED GRANTS

2015 NIH/National Institute of Mental Health (R01)
Stepped Care for Children after Trauma: Optimizing Treatment
Co-I (with Alison Salloum, USF School of Social Work), Direct Costs: \$1,630,198
2015 National Science Foundation, Cyber-Human Systems
CHS: Small: Investigation of Dynamic Thermal Perception over Large Skin Areas
Co-PI (with Kyle Reed, Department of Mechanical Engineering), Direct Costs: \$497,683

- 2014 Department of Veterans Affairs, RRD SPiRE Program
Pre-Treatment Physiological Reactivity and Treatment Outcome
Co-I (with Paula Chapman, James A. Haley VA), Direct Costs: \$198,359
- 2011 University of South Florida, Student Veterans Reintegration Grant
Psychophysiological Markers of PTSD and mTBI
PI, Direct Costs: \$40,000
- 2008 NIH/National Institute of Mental Health (R21)
Vagal Fluctuation as a Predictor of Current and Future Depression
Co-PI (with Jonathan Rottenberg, Department of Psychology), Direct Costs: \$275,000
- 2006 University of South Florida, Established Researcher Grant
Slow-Breathing Training Effects on Heart Rate Variability and Well-Being
PI, Direct Costs: \$5,000
- 2004 University of South Florida, New Researcher Grant
Interpersonal Stress and Blood Pressure Regulation in Ethnic Minorities.
PI, Direct Costs: \$7,741

OTHER GRANTS SUBMITTED

- 2017 NIH/NIMH
Pre-Treatment Physiological Reactivity of the Autonomic Nervous System and PTSD Treatment Outcome
Co-PI, Direct Costs: \$275,000, Disposition: Not funded (Impact score: 56); *Resubmitted.*
- 2016 Department of Veterans Affairs, CSRD
Using Pre-Treatment Physiological Reactivity of the Autonomic Nervous System During Script Driven Imagery to Predict Post-Traumatic Stress Disorder (PTSD) Treatment Outcomes
Co-I, Direct Costs: \$601,474. Disposition: Not Funded.
- 2015 NSF/Social Psychology
SBP: Effects of Ambivalent Sexism Experiences on Women's Cardiovascular Responses, Performance, and Interest in STEM Fields
PI, Direct Costs: \$568,105, Disposition: NC-R, not funded
- 2015 NIH/Ruth L. Kirschstein National Research Service Award (F31)
Examining Objective Interoception as a Novel Prospective Predictor of Self-Injurious Behaviors
Co-Sponsor (PI: L. Forrest, Sponsor: A. Smith)
Impact score: 35, 33rd percentile, not funded.
- 2015 NIH/Ruth L. Kirschstein National Research Service Award (F31)
Diversity Mentoring and Health: An Episodic Approach to Linking Mentoring Behaviors and Protégé Outcomes
Co-Sponsor (PI: K. French; Sponsor: T. Allen), not funded
- 2014 NIH/NIMH RFA-MH-15-320, Clinical Trials to Test the Effectiveness of Treatment
Mechanisms of Action of the Child and Family Traumatic Stress Intervention
Co-I (PI: C. Stover), Requested Direct costs: \$1,072,000, not funded
- 2014 NIH/NIMH Exploratory/Developmental Research Grant Program (Parent R21)
Automatic Interpretation Modification as a Mechanism of Early Change
Co-I (PI: J. Rottenberg), Requested Direct costs: \$275,000, not funded

- 2014 Department of Defense: Congressionally Directed Medical Research Programs
Pre-Treatment Physiological Reactivity and Treatment Outcome among MST Positive Veterans with PTSD
Co-I (PI: P. Chapman), Requested Direct Costs: \$900,000, not funded
- 2012 Department of Defense: Congressionally Directed Medical Research Programs
An Efficacy Trial of Heart Rate Variability Biofeedback in Veterans with Gulf War Illness
PI, Requested Direct Costs: \$450,000, not funded.
- 2011 Veterans Administration RRD
Pet Therapy during PTSD Treatment: The Impact on Resilience & Reintegration
Investigator (PI: Paula Chapman, PhD), Direct Costs: \$1,100,000, not funded
- 2011 United States Army Medical Research and Materiel Command (USAMRMC)
Combat Medic Skills Assessment Using Psychophysiological Sensors
Co-PI (PI: John Armstrong, MD), Requested Direct Costs: \$659,014, not funded
- 2011 Military Operational Medical Research Program (MOMRP), US Army
Assessment of Stress Response and Performance during Salient, Performance-Motivated Simulated Training Tasks and Post-Deployment Resilience
Investigator (PI: LTC Paul Mayer, MD), Direct Costs: \$700,000, not funded
- 2011 Congressionally Directed Medical Research Programs (CDMRP), US Army
Combat Medics: Psychological Risk and Resiliency in Front-Line Medical Warriors
Investigator (PI: Alan Peterson, PhD), Direct Costs: \$956,000, not funded
- 2009 NIH/National Institute of Mental Health (R21)
Respiratory Sinus Arrhythmia Responses to and Recovery from Stress as a Risk Factor for Cardiovascular Disease
PI, Requested Direct Costs: \$275,000, not funded.

INVITED COLLOQUIA AND SYMPOSIA

- Salomon, K. (2010, March). Stress Physiology: Overview and Updates. Invited talk presented as part of a pre-conference workshop entitled *APS Mini-Medical School: Overview of Biomedical Pathophysiology Relevant to Stress and Disease* at the 2010 meeting of the American Psychosomatic Society in Portland, OR.
- Salomon, K. (2009, November). Cardiovascular reactivity to interpersonal incivility: The moderating role of past discrimination. Invited talk presented at the 2009 annual meeting of the Society for Southeastern Social Psychology in Ft. Myers, FL.
- Salomon, K. (2008, March) Parasympathetic stress responses: Relationships to psychological functioning and risk for cardiovascular disease. Colloquium presented at the Department of Psychology, University of Arizona, Tuscon, AZ.
- Salomon, K. (2003, March). Risk factors for cardiovascular disease in youth. Presented to the Society for Research in Child Development Millennium Fellows as part of the 2003 meeting of the Society for Research in Child Development in Tampa, FL.

CHAired SYMPOSIA & PAPER SESSIONS

- Salomon, K. & al'Absi, M. (2011, September). The interface between Psychophysiology and Psychosomatic Medicine: Using our tools to study health and disease. Panel discussion presented at the 2011 meeting of the Society for Psychophysiological Research in Boston, MA.
- Salomon, K., (2010, March). Stress Reactivity & Recovery. Invited symposium presented at the 2010 meeting of the American Psychosomatic Society in Portland, OR.
- Salomon, K., Ironson, G. & Chesney, M. (2008, March). Positive Affect and Health: Opportunities for Psychosomatic Medicine. Organized and co-chaired invited Symposium presented at the 2008 meeting of the American Psychosomatic Society in Baltimore, MD.

Salomon, K. (2005, March) Cardiac Vagal Reactivity and Risk for Cardiovascular Disease. Symposium presented at the 2005 meeting of the American Psychosomatic Society in Vancouver, BC, Canada.

ORAL CONFERENCE PRESENTATIONS

- *Kiebel, E., Salomon, K., Bosson, J., *El-Hout, E., *Shepard, S, & *Kuchynka, S. (2019, February). Hostility is a challenge and chivalry is a threat: Influences of hostile and benevolent sexism on women’s cardiovascular responses to a STEM task. Talk accepted for presentation as part of symposium “Challenging the Status-Quo: Women’s Identity and Engagement with STEM,” at the Society for Personality and Social Psychology annual conference in Portland, OR.
- *French, K.A., *Henderson, T., *Regina, J., Salomon, K. , Allen, T.D., Chen, Z., & Kayhan, V. (2018, August) Couple work-family decision making: A multimethod approach. Paper presented at the annual meeting of the Academy of Management in Chicago, IL. Presented in the symposium “Reactions to Work-Family Events: An Exploration through Varying Temporal Lenses.”
- Salomon, K. *Jin, A.B. & Webb, A.K. (2015, March). Cardiovascular reactivity during a cognitive challenge is not related to measures of effort. Paper presented at the Annual Meeting of the American Psychosomatic Society, Savannah, GA. Presented in the symposium “Stress Reactivity and Health: From Exaggerated to Diminished Reactivity, Implications For Disease Risk.”
- Salomon, K., *Bylsma, L. M. & Rottenberg, J. (2011, September). Blunted respiratory sinus arrhythmia reactivity in Major Depressive Disorder marks the depressed state. In W. D’Andrea & G. Siegle (Chairs) Blunted affect: The other side of physiological reactivity in psychopathology. Symposium presented at the 2011 Society for Psychophysiological Research meeting in Boston, MA.
- Salomon, K. (2008, March) Brief slow-breathing training over 1 week decreases heart rate and blood pressure responses to stress. Paper presented at the 2008 meeting of the American Psychosomatic Society in Baltimore, MD.
- Salomon, K., Rottenberg, J., *Clift, A. & *Rieger, K. (2006, March). RSA reactivity and recovery in Major Depressive Disorder. Paper presented in In J. Brosschot (Chair) Prolonged Stress-related Activation and Health. Symposium presented at the 2006 meeting of the American Psychosomatic Society in Denver, CO
- Salomon, K., Gianaros, P. J. & Matthews, K. A. (2005, March) Cardiac vagal control during stress and risk for cardiovascular disease. In K. Salomon (Chair) Cardiac Vagal Reactivity and Risk for Cardiovascular Disease. Symposium presented at the 2005 meeting of the American Psychosomatic Society in Vancouver, BC, Canada.
- Salomon, K. & Matthews, K. A. (1999, March). The accumulation of cardiovascular disease risk factor burden in children and adolescents. Paper presented at the 1999 American Psychosomatic Society meeting in Vancouver, BC, Canada.

POSTER PRESENTATIONS

- *El-Hout, M., *Kiebel, E., *Shepard, S., *Kuchynka, S., Salomon, K., & Bosson, J. (2019, February). The influence of hostile and benevolent sexism and STEM identity on women's cardiovascular recovery after at STEM task. Poster accepted for presentation at Society for Personality and Social Psychology annual conference in Portland, OR.
- *Shepard, S., Salomon, K., Bosson, J., *El-Hout, M., *Kiebel, E., *Kuchynka, S. (2019, February). Refinement of the Experiences with Ambivalent Sexism Scale. Poster accepted for presentation at Society for Personality and Social Psychology annual conference in Portland, OR.
- Salomon, K., *Castro-Chapman, P. & *Yanson, J. (2018, March). Cardiac autonomic balance and regulatory capacity in PTSD. Poster presented at the annual meeting of the American Psychosomatic Society in Louisville, KY.
- *Jang, S., Salomon, K., Allen, T.D., *Henderson, T. (2018, March). Different health outcomes of discrimination in hiring, promoting and firing. Poster presented at the annual meeting of the Society for Industrial and Organizational Psychology in Chicago, IL.
- *Shepard, S., *El-hout, M., Salomon, K., Bosson, J., *Kiebel, E., *Kuchynka, S. (2018, March). Validation of the Experiences with Ambivalent Sexism Scale. Poster presented at the Society for Personality and Social Psychology annual conference in Atlanta, GA.
- *El-hout, M. *Kiebel, E., & Salomon, K. (2018, March). Shaking up the government: Predicting the influence of stability threats on racial and religious outgroup dehumanization via sociopolitical control. Poster presented at the Political Psychology Preconference during the Society for Personality and Social Psychology annual conference in Atlanta, GA.
- *Kiebel, E., Salomon, K, Bosson, J.K., *El-Hout, M, *Vantedhu, M, and *Kuchynka S.L. (2018, March). The Role of Hostile and Benevolent Sexism and Self-Efficacy in predicting Women's Cardiovascular Responses to a STEM Task. Poster presented at the Political Psychology Preconference during the Society for Personality and Social Psychology annual conference in Atlanta, GA.
- *Jang, S., Salomon, K., Allen, T. D., & *Henderson, T. (2018, April). Different health outcomes of discrimination in hiring, promoting, and firing. Poster accepted for presentation at the 33rd annual meeting of the Society for Industrial and Organizational Psychology, Chicago, IL.
- *El-Hout, M & Salomon, K. (2017, January). The moderating influence of discriminatory life experiences on cardiovascular reactivity and recovery from an uncivil interpersonal conflict. Presented at the annual meeting of the Society for Personality and Social Psychology, San Antonio, TX. (*First author was recipient of competitive SPSP travel award*).
- *Castro-Chapman, P.L., Orr, S.P., Pineles, S.L, Salomon, K. (2016, March). PTSD symptoms are related to blunted cardiovascular reactivity to trauma-imagery and non-trauma tasks among OEF/OIF/OND veterans. Presented at the annual meeting of the American Psychosomatic Society, Denver, CO.
- *Burgess, K.D., Salomon, K., & Bosson, J.K. (2013, October). The effect of hostile and benevolent sexism on women's cardiovascular reactivity and recovery. Presented at the Annual Meeting of the Society for Psychophysiological Research, Florence, Italy.

- Salomon, K., Ernst, J. M. & Blascovich, J. (1996, October). Accessibility as a predictor of attitude functionality. Presented at the 2004 Society for Psychophysiological Research meeting in Toronto, ON, Canada.

SERVICE TO THE PROFESSION

Editorial Activities

Associate Editor, *International Journal of Psychophysiology* 2017 - present

Associate Editor, *Journal of Psychophysiology* 2008 – 2013

Editorial Board member, *Psychosomatic Medicine* 2008 – present

Committees

Council, American Psychosomatic Society, 2017 - present

Program Chair, American Psychosomatic Society Annual Meeting 2013 - 2015

Member, Program Committee for American Psychosomatic Society Meeting 2007-2012

Member, Professional Education Committee, American Psychosomatic Society 2011 - 2012

Member, Tursky Award Committee for the Society for Psychophysiological Research 2009 Annual Meeting in Berlin, Germany 2009

UNIVERSITY AND DEPARTMENT SERVICE

Chair, USF Social/Behavioral IRB (2018 – present)
Vice Chair, USF Social/Behavioral IRB (2013 – 2018)
Member, USF Social/Behavioral IRB (2011 – present)
Chair, Participant Pool Committee, Department of Psychology, USF (2010 – present)
PI and Co-Administrator for the Psychology Department Online Participant Pool & Mass Testing (2009 – present)
Core Facilities Committee (2013-2015)
Psychology Faculty Search Committees (2005 2011 2012 2016)
I-O Brown Bag Founder/Coordinator (2003)

TEACHING

Courses Taught

Experimental Design & Analysis (PSY 4205)
Social Psychology (SOP 4004)
Seminar in Stress & Coping (EXP 7099)
Psychophysiology (EXP 7099)
Human Cardiovascular Psychophysiology (co-taught with J.R. Jennings at the University of Pittsburgh)

Graduate Student Supervision

Samantha Shephard, B.A., (Cognition, Neuroscience & Social/CNS) Currently enrolled in Ph.D. program, USF
Elizabeth Kiebel, M.A. (Cognition, Neuroscience & Social/CNS) Currently enrolled in Ph.D. program, USF
Mona El-Hout, M.A. (CNS) Currently enrolled in Ph.D. program, USF

Paula Castro-Chapman, Ph.D. (CNS) Research Service, James A. Haley VA.
Alvin Jin, Ph.D. (2014, CNS) Data Quality Assurance Administrator, Bristol-Myers Squibb
Kristi White, Ph.D. (2013, Clinical) Senior Clinical Psychologist, Hennepin County Medical Center &
Assistant Professor, University of Minnesota Center for Spirituality & Healing
Kaleena (Burgess) Landry, M.A., (2013, CNS) Instructor, Hillsborough Community College
Nicole Jagusztyn, Ph.D. (2010, I-O) Institutional Research Officer, Hillsborough Community College
Mardís Karlsdóttir, M.A. (2010, CNS).
Thomas King, Ph.D. (2006, I-O), Instructor, Capella University
Jason Read, Ph.D. (2007, I-O) Senior Manager of Organizational Effectiveness, Lockheed Martin Corporation

Chaired Undergraduate honor's theses

Amanda Brennan (2012)
Jennifer Holt (2005)
Ashley Malchow (2008)
Toni Merkey (2006)

Other graduate student research mentorship

Cindy Bethel, Ph.D. (2009, Computer Science, College of Engineering) Associate Professor, Computer Science & Engineering Department, Mississippi State University
Lauren Bylsma, Ph.D. (2012, Clinical), Assistant Professor, Department of Psychiatry, University of Pittsburgh
T. Andrew Caswell, Ph.D. (2013, CNS), Assistant Professor, Gannon University
Vanessa Panaite, M.A., (Clinical), Post-doctoral Researcher, James A. Haley VA.

International Dissertation Reviews

Denise C. Jarrin, Concordia University, Montreal, Quebec (2013)
