

**ROBERT C. SCHLAUCH, Ph.D.**

**CONTACT INFORMATION**

---

Address: Department of Psychology  
University of South Florida  
4202 East Fowler Ave, PCD4118G  
Tampa, FL 33620  
Email: rschlauch@usf.edu  
Phone: (813) 974-4767

**POSITIONS**

---

2014-current Assistant Professor  
Department of Psychology  
University of South Florida, Tampa

2013-2014 Research Scientist  
Research Institute on Addictions  
University at Buffalo, State University of New York

2011-2014 Adjunct Instructor  
Department of Psychology  
University at Buffalo, State University of New York

2010-2013 Postdoctoral Fellow  
Research Institute on Addictions  
University at Buffalo, State University of New York

**EDUCATION/PROFESIONAL TRAINING**

---

2015 Fifteenth Annual Summer Institute on Randomized Behavioral Clinical Trials  
National Institute of Health, Office of Behavioral and Social Sciences Research  
Airlie Conference Center, Warrenton, VA: July 12, 2015 – July 24, 2015.

2010-2013 Postdoctoral Fellow, T32 National Institute on Alcohol Abuse and Alcoholism  
Research Institute on Addictions, University at Buffalo  
Mentors: Rebecca Houston, Ph.D., Paul Stasiewicz, Ph.D.

2010 Ph.D. in Clinical Psychology  
Florida State University  
*Dissertation:* Validation of the Substance Use Risk Profile Scale (SURPS) in  
treatment-seeking substance abusers using cue reactivity methodology.  
Advisor: Alan R. Lang, Ph.D.

2009-2010 Predoctoral Intern, Clinical Psychology  
Yale School of Medicine, Department of Psychiatry  
Division of Substance Abuse, Clinical and Prevention Research Track  
Advisor: Samuel A. Ball, Ph.D.

- 2007 M.S. in Clinical Psychology  
Florida State University  
*Master's Thesis:* The effect of alcohol intoxication on race-biased responding: The moderating role of internal and external motivations to respond without prejudice.  
Advisor: Alan R. Lang, Ph.D.
- 2002 B.A. in Psychology  
State University of New York at Stony Brook  
Graduated Summa Cum Laude and Departmental Honors  
*Honor's Thesis:* Impulsivity, social problem-solving, and nicotine dependence in daily smokers.  
Advisor: J. Lee Westmaas, Ph.D.

## HONORS AND AWARDS

---

- 2017 Distinguished Scientific Early Career Contribution Award (American Psychological Association, Division 50 – Society of Addictive Psychology)
- 2011-2017 National Institute on Health, Clinical Loan Repayment Program (initial contract and 4 competitive renewals)
- 2008 Florida State University Dissertation Research Grant: \$750 competitive award given to a select group of graduate students.  
Florida State University Congress of Graduate Students Conference Presentation Grant: award given to support travel to present original research at national and international conferences
- 2002 Psi Chi Research Conference Award for Best Presentation  
Phi Beta Kappa Honor Society, member  
Valedictorian of Psychology Department
- 2001 State University of New York at Stony Brook Undergraduate Recognition Award for Expanded Learning  
New York Scholastic Scholarship  
State University of New York Achievement Scholarship
- 2000 Wallace Bookstore Scholarship  
Golden Key National Honor Society  
Psi Chi National Psychology Honor Society
- 1998-2002 Dean's List: Fall 1998 - Spring 2002, consecutively.

## FUNDING

---

### **Current**

K23 AA021768 Schlauch (PI) 07/19/13 – 06/30/18  
National Institute on Alcohol Abuse and Alcoholism (NIAAA/NIH)  
Project Title: Ambivalence Model of Craving: Re-examining the drinking-craving relationship.  
Aims: To provide the candidate with additional training in both daily process and clinical trial methodologies via examination of the Ambivalence Model of Craving during pretreatment, treatment, and follow-up intervals among those alcohol dependent. Mentor/Co Mentor(s): Gerard Connors/Stephen Tiffany/Mark Goldman/Thomas Brandon.  
Role: Principal Investigator. Total Costs: \$628,878.

R01 AA022080 Stasiewicz (PI) 02/1/14 – 01/13/19  
 National Institute on Alcohol Abuse and Alcoholism (NIAAA/NIH)  
Project Title: Pretreatment changes in drinking: Relationship to treatment outcomes. Aims: To examine changes in drinking prior to receiving formal treatment (i.e., session 1), including examination of types of change and processes associated with them. Role: Co-Investigator. Total Costs: \$2,708,039.

R01 AA020253 Connors/Maisto (MPIs) 04/01/12 – 03/31/18  
 National Institute on Alcohol Abuse and Alcoholism (NIAAA/NIH)  
Project Title: Enhancing Therapeutic Alliances in Alcoholism Treatment. Aims: To examine therapeutic alliance, from the perspective of the patient, regularly over the course of outpatient treatment and its relationship to treatment variables (such as attendance) and posttreatment functioning (including drinking behavior) evaluated. Role: Consultant. Total Costs: \$2,479,588.

### **Pending**

R21 MH116322 Rancourt/Schlauch (MPIs) (pending)  
 National Institute on Mental Health (NIMH/NIH)  
Project Title: Ambivalence Model of Craving: A Transdiagnostic Model for Disordered Eating and Compensatory Behaviors. Aims: To further develop and validate the Ambivalence Model of Craving as a transdiagnostic craving model for problematic eating behaviors among adolescents, as well as treatment-seeking individuals with eating disorders. Role: Principal Investigator. Total Costs: \$411,125 (proposed).

R21 Bornovalova (PI) (pending)  
 National Institute on Alcohol Abuse and Alcoholism (NIAAA/NIH)  
Project Title: Translational Research in Exploring Integrative Model of the Role of Circadian Dysynchrony in Adolescent/Young Adult Alcohol Use. Aims: To examine motivational systems that may mediate the effects of circadian desynchrony on alcohol intake, including the application of this research as a proof-of-concept trial for translational mouse-human modeling. Role: Co-Investigator Total Costs: \$411, 125 (proposed)

### **In Preparation**

R01 DA044183 Bornovalova/Neale/Schlauch (MPIs) (resubmission)  
 National Institute on Drug Abuse (NIDA/NIH)  
Project Title: Drug Use: Approach and Avoidance in Relapse Dynamics. Aims: To examine relapse dynamics following residential treatment for substance use disorders utilizing both a novel theoretical model (Ambivalence Model of Craving; AMC) and data analytic techniques to model non-linear, within person fluctuations in approach and avoidance inclinations. Role: Principal Investigator. Total Costs: \$2,899,766 (proposed)

R21 Schlauch (PI) (Jan 2017 anticipated submission)  
 National Institute on Alcohol Abuse and Alcoholism (NIAAA/NIH)  
Project Title: Pretreatment Change and Precision Medicine: Analysis of Pharmacological Trials. Aims: The current proposal aims to examine the ways in which people change their drinking behaviors prior to beginning treatment in three independent pharmacological trials for alcohol use disorders. Role: Principal Investigator. Total Costs: pending

R01 Schlauch (PI) (Jan 2017 anticipated submission)  
 National Institute on Alcohol Abuse and Alcoholism (NIAAA/NIH)

Project Title: Implicit and Explicit Craving Processes in Alcohol Treatment. Aims: The current proposal aims to examine the relationships between approach/avoidance inclinations and the implicit/explicit cognitive processes associated with the recovery from alcohol use disorders, including pretreatment changes in drinking often observed prior to the first treatment session. Role: Principal Investigator. Total Costs: pending

### **Completed**

L30 AA022468 Schlauch (PI) 07/01/16 – 6/30/17  
Extramural Clinical Loan Repayment Program – 4<sup>th</sup> Competitive Renewal  
National Institute on Alcohol Abuse and Alcoholism (NIAAA/NIH)

Project Title: Processes Associated with the Etiology and Treatment of Alcohol Use Disorders  
Role: Principal Investigator. Total Costs: \$7,983.

L30 AA022468 Schlauch (PI) 07/01/15 – 06/30/16  
Extramural Clinical Loan Repayment Program – 3<sup>rd</sup> Competitive Renewal  
National Institute on Alcohol Abuse and Alcoholism (NIAAA/NIH)

Project Title: Processes Associated with the Etiology and Treatment of Alcohol Use Disorders  
Role: Principal Investigator. Total Costs: \$7,535.

L30 AA022468 Schlauch (PI) 07/01/14 – 06/30/15  
National Institute on Alcohol Abuse and Alcoholism (NIAAA/NIH)  
Extramural Clinical Loan Repayment Program – 2<sup>nd</sup> Competitive Renewal

Project Title: Processes Associated with the Etiology and Treatment of Alcohol Use Disorders  
Role: Principal Investigator. Total Costs: \$14,088.

L30 AA022468 Schlauch (PI) 07/01/13 – 06/30/14  
National Institute on Alcohol Abuse and Alcoholism (NIAAA/NIH)  
Extramural Clinical Loan Repayment Program – 1<sup>st</sup> Competitive Renewal

Project Title: Processes Associated with the Etiology and Treatment of Alcohol Use Disorders  
Role: Principal Investigator. Total Costs: \$26,569.

L30 DA032069 Schlauch (PI) 07/01/11 – 06/30/13  
National Institute on Drug Abuse (NIDA/NIH)  
Extramural Clinical Loan Repayment Program

Project Title: Personality and Substance Use  
Role: Principal Investigator. Total Costs: \$50,443.

Howard T. Blane Director's Award Schlauch (PI) 03/15/12 – 12/31/13  
Research Institute on Addictions (internal funding).

Project Title: ERP correlates of impulsivity and sensation-seeking. Aims: To differentiate cognitive mechanisms underlying the relationships between impulsivity and sensation-seeking and risky behaviors, including substance use. Role: PI. Total Costs: \$26,695.

Howard T. Blane Director's Award Schlauch/Levitt (MPs) 09/02/11 – 12/31/12  
Research Institute on Addictions (internal funding).

Project Title: Subjective intoxication in social drinkers. Aims: Bar Laboratory study to examine the language of subjective intoxication in social drinkers and map the use of such terms onto the BAL curve. Role: Co-PI. Total Costs: \$12,113.

### **Professional Committee Work**

#### Professional Organization Committees

- 2017-current Collaborative Perspective on Addictions Annual Conference Planning Committee. American Psychological Association, Division 50 (Society of Addictive Psychology).
- 2017-current Collaborative Perspective on Addictions Annual Conference Program Committee. American Psychological Association, Division 50 (Society of Addictive Psychology).

### **USF Committee Work**

#### Department Committees

- 2014-current Undergraduate Program Committee, Department of Psychology, University of South Florida, Tampa FL

#### Clinical Area Committees

- 2015-current Clinic Advisory Committee, Department of Psychology, University of South Florida, Tampa FL
- 2015-current Clinical Placement Committee, Department of Psychology, University of South Florida, Tampa FL
- 2014-current Chair, Clinical Training Committee, Department of Psychology, University of South Florida, Tampa FL

2014-current Clinical Internship Committee, Department of Psychology, University of South Florida, Tampa, FL

### **Dissertation, Master's Thesis, and Honor's Thesis Committees/Reviews**

#### *DISSERTATION/COMPREHENSIVE PRELIMS COMMITTEES*

##### Ongoing

- 2017-current Title: Comparing Two Perspectives for Understanding Decisions from Description and Experience  
Student: Sandra Kaufman, University of South Florida.  
Role: Dissertation Committee Member.
- 2017-current Title: Linking sleep and aggression: The role of response inhibition and negative emotional processing.  
Student: Melanie Bozzay, University of South Florida.  
Role: Dissertation Committee Member.
- 2016-current Title: Effects of motivation on prospective memory performance in Huntington's disease.  
Student: Emily Kellogg, University of South Florida.  
Role: Comprehensive exam and Dissertation Committee Member.
- 2016-current Title: Attentional bias to warning labels and motivation to quit smoking: Influence of graphic warning labels and message framing.  
Student: John S. Correa, University of South Florida.  
Role: Co-Chair Dissertation Committee.
- 2016-current Title: Linking distal and proximal influences to understand the relationship between alcohol use and risk behavior.  
Student: Patrick M. Logan, University of South Florida.  
Role: Comprehensive exam and Dissertation Committee Member.

##### Completed

- 2017 Title: Linking insomnia symptoms and disinhibited behaviors: A Meta-Analysis.  
Student: Melanie Bozzay, University of South Florida.  
Role: Committee Member - Major Area Paper (Comprehensive Prelims).
- 2017 Title: Can we talk: Synergistic effects of cognitive and behavioral frameworks to address substance use and abuse.  
Student: Lauren J. Adams, University of South Florida.  
Role: Dissertation committee member.
- 2017 Title: The Independent Contributions of Emotion and Cognitive Dysfunction on Anosognosia in Huntington's Disease Patients.  
Student: Danielle Blinkoff, University of South Florida.  
Role: Comprehensive exam and Dissertation Committee member.

- 2014      Title: Treatment engagement and outcomes in a cognitive-behavioral therapy smoking cessation group program delivered by clinical psychology trainees.  
Student: Stephanie M. Jones, University of Western Australia  
Role: Dissertation External Reviewer.

### *MASTER'S THESIS COMMITTEES*

#### Ongoing

- 2016-current    Title: Exploring the decisional process behind alcohol use: Converging evidence across multiple theories.  
Student: Emily Noyes, University of South Florida.  
Role: Director/Chair – Master's Thesis Committee.
- 2016-current    Title: Affect and Craving: Examining the differential influences of positive and negative affect on inclinations to approach and avoid alcohol use.  
Student: Jacob Levine, University of South Florida.  
Role: Director/Chair – Master's Thesis Committee.
- 2016-current    Title: Anticipatory motivation for drinking alcohol: An in-vivo study.  
Student: Bryan Benitez, University of South Florida.  
Role: Master's Thesis Committee Member.

#### Completed

- 2017            Title: Depression and choice of emotional stimuli.  
Student: Sunkyung Yoon, University of South Florida.  
Role: Master's Thesis committee member.
- 2017            Title: Psychopathic traits and substance use in the context of erotic services and sex exchange among college students.  
Student: Bethany G. Edwards, University of South Florida.  
Role: Master's Thesis committee member.
- 2017            Title: The effect of early onset alcohol use and first alcohol experience on reward processing.  
Student: Claire M. Gorey, University of South Florida.  
Role: Master's Thesis committee member.

### *HONOR'S THESIS COMMITTEES*

#### Ongoing

- 2017            Title: Peer Reinforcement of Alcohol and Cannabis Use  
Student: Karen Kelley, University of South Florida.  
Role: Undergraduate Psychology Honor's Thesis Committee member.

#### Completed

- 2016-2017      Title: The effect of treatment for alcohol use disorder on comorbid psychological functioning: A test if competing hypotheses and the impact on post-treatment drinking.  
Student: George Boghdadi, University of South Florida.  
Role: Director/Chair – Undergraduate Honor's College Thesis Committee.

- 2016      Title: Impulsivity and the reward system: Negative and positive urgency are associated with neural reward sensitivity.  
Student: Michelle Rogers, University of South Florida.  
Role: Undergraduate Psychology Honor's Thesis committee member
- 2015      Title: The influence of positive and negative affect on alcohol approach and avoidance inclinations: An experimental study.  
Student: Amanda Harris, University of South Florida.  
Role: Director/Chair - Undergraduate Psychology Honor's Thesis Committee.

## **TEACHING EXPERIENCE**

---

### Graduate Courses

- 2017-current    *Co-Instructor*, Evidence-Based Assessment (CLP 7379), Department of Psychology, University of South Florida
- 2016-current    *Co-Instructor*, Assessment and Human Development (CLP 6438, formerly Adult Assessment), Department of Psychology, University of South Florida
- 2015            *Instructor/Supervisor*, Motivational Interviewing Summer Workshop, Department of Psychology, University of South Florida.
- 2014-current    *Instructor/Supervisor*, *Clinical Practicum* (CLP 6946), Psychological Services Center, Department of Psychology, University of South Florida.
- 2008-2009      *Lab Instructor*, Assessment, Florida State University, Department of Psychology, Taught 2 sections, Spring 08 and 09

### Undergraduate Courses

- 2015-current    *Instructor*, Introduction to Psychological Science (PSY2012), Department of Psychology, University of South Florida – Spring 2015 (~175 students), Fall 2015 (~400 students), Fall 2016 (~300 students), Fall 2017 (~385 students).
- 2014            *Adjunct Instructor*, Health Psychology, University at Buffalo, State University of New York – Total of 1 section taught, Spring 2014 (175 students)
- 2011-2014      *Adjunct Instructor*, Abnormal Psychology, University at Buffalo, State University of New York – Total of 3 section taught, Spring 2011 (384 students), Fall 2013 (352 students), Spring 2014 (275 students)
- 2011-2013      *Adjunct Instructor*, Introductory Psychology, University at Buffalo, State University of New York – Total of 4 sections taught, Fall 2011 (210 students), Fall 2012 (450 Students), Spring 2013 (450 Students), Summer 2013 (75 students)
- 2006-2008      *Instructor*, Research Methods in Psychology with Lab, Florida State University – Total of 7 sections taught, Fall 06 - Fall 08 consecutively (1 per semester, average 75 students/section)

- 2005-2006 *Instructor*, General Psychology, Florida State University - Total of 3 sections taught, Fall 05, Spring 06, Summer 06 (average 200 students/section).
- 2004-2005 *Lab Instructor*, Research Methods in Psychology with Lab, Florida State University – Total of 2 sections taught, Fall 06 and Spring 05 (average 25 students/section).

## **CLINICAL EXPERIENCE**

---

- 2009-2010 *Predoctoral Intern*, Division of Substance Abuse, Yale University School of Medicine  
 Provided individual therapy, group therapy, and assessment services for individuals diagnosed with substance use disorders involved in a methadone maintenance program. Supervisor(s): Rita McCleary, Ph.D., and Carly Gibbons, Ph.D.
- Clinical Research: Primary clinician for several manual based treatment protocols examining the efficacy of Cognitive-Behavioral Therapy for the treatment of substance use disorders. Projects include treatment for those with cocaine dependence, as well as those with chronic pain and opiate dependence maintained on methadone or buprenorphine. Supervisors: Samuel A. Ball, Ph.D. and Kathleen M. Carroll, Ph.D.
- 2007-2009 *Psychological Extern/Therapist*, Apalachee Center, Tallahassee, FL.  
 Provided individual and group therapy services for inpatient and outpatient clients. Inpatient services consisted of primarily group therapy (process groups, skills training groups, and healthy living groups) on several different units including Eastside Psychiatric Hospital and P.A.T.H. (Positive Alternatives to Hospitalization) Stabilization Unit. Outpatient services consisted of individual therapy for adults with severe and persistent mental illness, and individual/ family therapy for children and adolescents. Weekly group and individual supervision. Supervisor(s): Jay Reeve, Ph.D. and Kristee Treadwell, Ph.D.
- 2004-2007 *Psychological Trainee*, Regional Multidisciplinary Evaluation and Consulting Center, Florida State University, Tallahassee, FL.  
 University-based diagnostic and training center serving school-aged children/ adolescents presenting complex academic, medical, emotional, or behavioral problems in school programs (serving 20 school districts). Experiences included Learning Disability and ADHD evaluations on children ages 6 to 18. Responsibilities included full psychoeducational assessments (IQ, academic, cognitive, emotional) and ADHD assessments. Assessments included administration, scoring and interpretation of various test batteries, parent interviews, teacher interviews, school observations, writing integrated reports, and holding feedback sessions. Case load of 3 clients per month (full assessment and write-up). Weekly individual supervision. Supervisors: Beverly Atkeson, Ph.D. and Kristen Schmidt, Ph.D. (ADHD Clinic)
- 2004-2006 *Graduate Student Therapist*, Florida State University Psychology Clinic, Tallahassee, FL.

Psychotherapy and assessment with adults, adolescents, and children in a university-based, outpatient community mental health clinic. Experiences included individualized therapy, group therapy, Learning Disabilities and ADHD assessments, court-ordered evaluations, and screenings/intakes. Case load of 5 clients per week. Weekly group supervision. Supervisors: Thomas Joiner, Ph.D. and N. Brad Schmidt, Ph.D.

2002-2003 *Employment Specialist/Vocational Case Manager*, Developmental Disabilities Institute, Inc., Community Services for Adults, Career Development Program, Smithtown, NY.  
Provided vocational case management to adults with developmental disabilities, specifically Autism Spectrum Disorders and Intellectual Disabilities. Support included monthly site visits, attending to any issues/concerns/problems at the workplace, advocacy, job development, semi-annual Individual Service Plan meetings, and implementation of behavior support plans.
