Licensure data for those who graduated 1997-2005	Percent
Percent who sought and obtained licensure	82%
Percent who did not seek licensure	18%
Percent who sought licensure and did not receive licensure	0%

* In the past 7 years of entering students, a total of 3 students have left the program before obtaining the Ph.D. degree. When considering the number of students who have entered the program during the same period of time (N=52), the overall attrition rate (3/52) is 6%.

Program Costs can be found on the [Financial Obligations and Living Arrangements section of our website](#).
