

## How to apply to Psi Chi

*Psi Chi is the International Honor Society in Psychology. Membership is a recognition of your accomplishments as a psychology major. Membership is for life and requires only a one-time registration fee.*

*First things first, you need to make sure you meet the requirements. In order to become a member in USF's chapter, you need to have:*

- ❖ *declared Psychology as either a major or minor at USF (Tampa)*
- ❖ *at least 9 credits in Psychology at USF (completed)*
- ❖ *a USF Psychology GPA of at least 3.4*
- ❖ *an overall GPA of at least 3.4*

*(Note: The International Society itself only requires a minimum GPA of 3.0, however USF's chapter has more stringent requirements. This is because the top 10% of psychology students have a GPA of 3.4 or higher at USF. Thus, in order to keep membership in Psi Chi exclusive, the bar has been raised.)*

*Once you're sure you meet all of these requirements, please perform the following steps:*

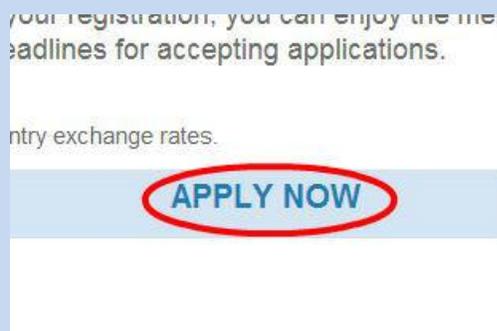

1. *Go to Psi Chi's website: <http://www.psichi.org/>*
2. *On the top panel, put your cursor over "Join" and click on "Become A Member" on the drop down menu:*

3. Then, scroll down to the bottom of the page and click “Apply Now”:

4. Once again, click “Apply Now”:

5. Now you have reached the application itself. Please fill it out completely (don't forget to put “University of South Florida” as your local chapter) and click submit:
